Why should I upgrade now?

Get the latest tools

Upgrade to the latest Autodesk software and enjoy the benefits of more advanced toolsets, more powerful capabilities and more efficient workflows than ever before.

Stay competitive

Add Autodesk Maintenance Subscription when you upgrade to help increase productivity. Utilize the newest technologies and time-saving features and stay ahead of the competition.

Save money

Autodesk Maintenance Subscription offers the most cost-effective way to stay current. You also get flexible licensing, cloud & software services and technical support.

*This offer provides 10% off the Autodesk suggested retail price (SRP) for upgrade licenses of eligible perpetual AutoCAD LT and AutoCAD family products, selected Autodesk standalone products and Autodesk Design & Creation Suites. Offer is available to customers in the United States and Canada from August 7, 2014 through October 24, 2014, may not be combined with other rebates or promotions, and is void where prohibited or restricted by law; further restrictions apply. Educational licenses do not qualify. The savings example given shows the difference between the upgrade license fee paid under this promotion and the regular upgrade license fee, in each case based on a purchase of Autodesk Plant Design Suite Ultimate at Autodesk suggested retail prices, without consideration for any taxes; Subscription fees are additional.
