

## Turn any meeting room into a face-to-face video-enabled collaboration room.

The Logitech ConferenceCam CC3000e combines breakthrough affordability and professional audio and video to turn any meeting space into a video-enabled collaboration place. By using your familiar computing environment and UC application of choice, the CC3000e is plug-and-play and easy to deploy. Workgroups of 6-10 people can now experience the productivity benefits of crystal-clear face-to-face communication.

### Video
