

logitech®

DESIGNED FOR BIG ROOMS AND EVEN BIGGER IDEAS

Logitech Group

Logitech Group is the amazingly affordable video conferencing solution for mid to large-sized conference rooms, allowing any meeting place to be a video collaboration space. As simple to use as a mobile phone and affordable as an office chair, Logitech Group makes it easier than ever to include anyone in the conversation.

FEATURES

- Business-grade HD video camera, full-duplex speakerphone and remote control in one package
- Easy video conferencing with plug-and-play USB connection to PC and Mac®, including thin clients
- Works with any video conferencing app including the ones you already use
- Optimized for voice and video meetings of up to 14 people (20 with optional expansion mics)
- 90° field of view and 20 ft. diameter audio range so everyone is clearly seen and heard
- Razor-sharp HD 1080p video with autofocus, digital pan/tilt/zoom and premium ZEISS®-certified optics
- HD audio speakerphone with four integrated omni-directional mics and noise reduction for crystal-clear conversations
- Simple speakerphone conferences with easy pairing to Bluetooth® and NFC mobile devices
- Convenient audio and video controls using handheld remote or on-speakerphone controls

Logitech Group

Video conferencing for big rooms and even bigger ideas
