

APC[®]
Legendary Reliability[®]

**APC provides upgrade options
and battery replacement solutions for both
In-Warranty and Out-of-Warranty UPS products.**

Trade-UPS is a great, cost-effective way to upgrade existing units.
You can trade in any UPS, regardless of its manufacturer or its working condition,
for the latest APC UPS technology and receive up to a 35% discount on the new purchase!

Trade-UPS offers these additional benefits:

- Additional savings on APC accessories and smaller UPSs
- Upgrade to two times the VA of your current UPS capacity
 - Trade in multiple UPSs for larger upgrades
 - Up to a 2 year factory warranty on new units

Call your Softchoice Representative at 1 800 268-7638 for more details.
