

# ► Kaspersky's Magic Quadrant Growth

## Gartner names Kaspersky as leader of endpoint protection platforms for the fourth year.

Gartner has positioned Kaspersky Lab as a top performer in its Magic Quadrant for Endpoint Protection Platforms for the fourth year in a row. Gartner's influential report shows that Kaspersky Lab has improved its standing in the sought-after "Leaders" block. The report cites strengths including Kaspersky Lab's well-earned reputation for rapid and accurate malware detection; advanced HIPS features; and an impressive array of integrated client management tools, including vulnerability analysis, patch management and application control. Gartner also highlights the success of Kaspersky Security for Virtualization, Kaspersky Endpoint Security and Kaspersky Mobile Security.
