

# Simple is Better

Finding our Legrand® transceiver offering just got easier! All of our transceivers now feature smart part numbers that include the OEM part number.

Simply search the OEM Part Number + -LEG and you'll quickly find the Legrand equivalent. The previous 5-digit part numbers will no longer be available. If you need help finding the 5-digit equivalent we are happy to assist!

## Don't forget—Legrand transceivers:

- Are application tested with OEM equipment—no batch testing!
- Conform to all MSA guidelines which assures that they function identically to an OEM's transceiver
- Come backed by a lifetime warranty that offers lightning fast sales support via chat, phone, or email and next day replacement—all of which exceed any standard OEM warranty
- Can be delivered in as little as one day for stocked items
- Are TAA compliant

# Legrand Top Selling Transceivers

Old C2G Part #	New C2G Part #	Transceiver Description
39501	GLC-T-LEG	Legrand Cisco GLC-T Compatible 1000Base-T Copper SFP (mini-GBIC) Transceiver
