

# MOBILITY

CARRY LESS. STAY MOBILE. DO MORE.

In today's world of constantly being on the go, mobility has never been more important. Everyone has a need to be mobile and stay connected, while limiting all the gadgets that need to be carried. Whether it is for work, personal or just for fun – C2G can help you stay mobile with a full line of mobility products that allow you to connect, charge, power, share, and so much more.

## DOCKING STATIONS

### USB-C MODULAR TRAVEL ADAPTERS

All the connectivity and power needed when on the go with USB-C devices! Long gone are the days of scrambling to find a way to plug in and present or running out of power at a critical moment. This modular adapter is customizable to the users' needs—allowing them to bring connectivity, power, or both along for the adventure. The compact design easily fits into backpacks, tote bags and purses for convenient travel—eliminating the hassle of carrying bulky cables and adapters.
